# City of Canterbury Demographic Profile 2009

- 2006 Census data
- Maps of key social characteristics
- Comparisons with other Local Government Areas
- Government data on Labour Force, Disability, Housing and Transport
- Detailed ethnicity data
- Crime and road safety statistics
- Data on Council Community Services  
and much more .....

This 2009 edition of the Demographic Profile is an excellent reference on our local community. It's a must for anyone planning programs in the area, or interested in understanding more about the local population.

For further information, please contact 9789 9594.
